CELLOS

Great sounding cellos from \$1250 and up.

At Potter Violins, we consider the purchase of one of our fine instruments an investment in your child's musical success. We believe that our instruments have contributed to the growth and joyful music making of generation after generation of young musicians. Potter Violins is a trusted partner in your musical journey.

We offer a wide array of excellent instruments at a variety of prices. All our student instruments are inspected and adjusted by one of our professional luthiers to make sure they meet our high standards for exceptional tone, responsiveness and projection.

Your financial investment is always protected at Potter Violins because any instrument you purchase from us can be traded in toward the purchase of your next instrument.*
